## September 9th

## Sunday Informal Q & A

9:00 am – 11:00 am – Mark Wisniewski, DDS, AIAOMT: The Becoming of a Biological Practice....Informal Q&A

Informal Q & A for new and current IAOMT members. Our new members seem to have a lot of questions after their first conference. This class is the perfect time to ask questions, hear answers, and to build a connection with your fellow colleagues before returning to work on Monday.
